

# Offensiv gegen Feminizide

## open meeting of the Bern regional group

11.12.2022, 3 p.m

We invite you to an open meeting.

The campaign "Offensiv gegen Feminizide" fights together against the killing of women, girls, inter-, trans- and non-binary people because of their gender, so against femicides and therefore against patriarchy.

Where: de\_block, Waldmannstrasse 17, 3027 Bern

Who: we invite all women, inter, trans and non-binary people to actively participate in the campaign.

You are welcome to contact us if...

...you cannot come on december 11, but are still interested

...you have questions or other concerns

...you are looking for information on support services against patriarchal violence

...you are in the vicinity of femicide and are looking for information on support services or would like to work with us

...you can offer psychological, legal or other support
